WELCOME BACK EVERYONE!

Regular Events

- Some of the regular events will not start right on November 1st, depending on arrival dates. Please check with facilitators
- Pickle ball Court is open to everyone every day starting at 8 am

Garbage

- Please remember that garbage such as glass clippings, Styrofoam and dry goods can be dumped in the trailer on Lot 210.
- any small appliances you wish to discard, please put them off to one side of the trailer in Lot 210, to make it easier for Rudy to dispose of them
- Large appliances can also be dropped off in Lot 210. They have to be clearly marked with 3410 N Arrowhead Blvd and **LOT NO** –(that is the way the Blythe refuse centre wants it).

Miscellaneous

- Please remember the speed limit is 10 miles/hour for ALL vehicles, including bicycles, tricycles, golf carts, etc.
- Stop at the stop sign
- Pets are not allowed in the common areas, please keep your pets on a leash and clean up after them (even in the desert)

Recycling

Please ensure you keep recycling, since the proceeds from recycling keep our maintenance fees lower than at any other place. There are two recycling stations:

- one on the east side (across lot 40), bottles and Blythe Recycle bin (grey)
- one on the west side (by laundry entrance), bottles and Blythe Recycle bin (grey)
- unfortunately, we **cannot recycle glass bottles** (liquor, wine, beer) and they need to be put in the garbage. **Glass Beer Bottles will no longer be recycled, please put them in the garbage, or better yet, buy beer cans.**

The efforts of recycling is and always has been a win/win situation. Many projects throughout the years have been funded through recycling.
